

Infinisource provides all Flexible Spending Account (FSA) and Health Reimbursement Arrangement (HRA) participants with an online portal that provides anytime access to view and manage account information. One of the many features available is the capability to review your account payments.

Account Payments

To view your balance, follow these steps:

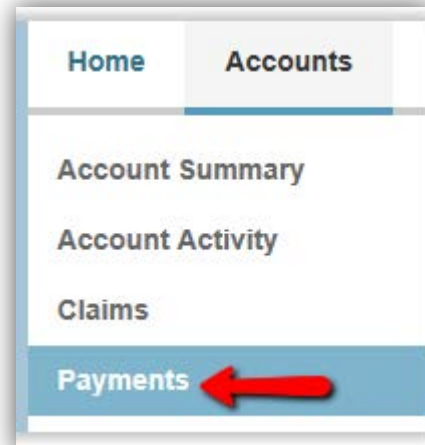

1. Navigate to the [Infinisource login page](#).
2. Enter your Username and Password. First time users will login using lower case first initial, last name and last four digits of your Social Security Number as both Username and Password.

The Payments page provides you with a complete view of all payment details on one page. This page will display a payment when:

- Claims are posted for reimbursements
- Debit card transactions are settled
- There are refunds from a debit card transaction

If there is no payment the message will display as *There are no records to display*.

To view details, click on the Payments link item.
