

Infinisource provides all Flexible Spending Account (FSA) and Health Reimbursement Arrangement (HRA) participants with an online portal that provides anytime access to view and manage account information. Participants can also download the iFlex App to access account information from an iPhone, iPad or Android device.

Follow these steps to Download the iFlex App

1. Visit the iTunes App Store or the Android Market to download the Infinisource app on your iPhone, iPad or Android.
2. Once installed, enter the same Username and Password to log into your account at www.infinisource.com.

The iFlex app saves time and hassles while making the most of your HRA and FSA health benefit accounts by checking your balances and details. Our secure app makes managing your health benefits easy by providing real time, convenient access to all your important account information on the go!

Powerful features of the app:

Easy, convenient & secure

- Simply login to the app using your same health benefits website username and password (or follow alternative instructions if provided to you)
- No sensitive account information is ever stored on your mobile device; secure encryption is used to protect all transmissions

Connects you with the details

- Quickly check available balances 24/7
- Access account details
- View charts summarizing account(s)
- Click to call or email Customer Service

Provides additional time-saving options (if supported or applicable to your account[s])

- View claims requiring receipts
- Submit medical FSA, FSA Dependent Care and HRA claims
- Take a picture of a receipt and submit for a new or existing claim
- Report a lost or stolen debit card
