

Direct deposit will help you receive your reimbursement sooner!

Using a Flexible Spending Account (FSA) or Health Reimbursement Arrangement (HRA) is a great way to stretch your benefit dollars. Direct deposit is a fast, easy and secure way to receive reimbursements of qualifying out-of-pocket medical expenses.

Once your claim is filed and processed, the reimbursement will be automatically deposited in your bank account. You will receive a notification of the amount deposited. No more special trips to the bank. Simple as that!

Signing up for direct deposit is easy – just follow these step-by-step instructions.

1. Navigate to the [Infinisource login page](#).
2. Enter your Username and Password. First time users will login using lower case first initial, last name and last four digits of your Social Security Number as both Username and Password.

3. On the **Home Page**, click on **Profile**, chose **Banking** in the left menu.

4. Click **Add Bank Account**.

5. If you are using a PayCard instead of a bank account, you will enter your PayCard card number in place of the Checking Account Number. The PayCard Transit Routing Number will be put in place of the Routing Number, instead of a bank routing number.

\*Note: If you are unsure of the card number or the routing number, call the toll-free number on the back of the debit card to obtain that information.

Click on **Submit** once you have entered your card information. You will begin receiving your claim funds quickly through your debit card.

Remember, you can now **go mobile** by using your smart phone to access:

- FSA Account balances
- Submit claims for reimbursement
- Send receipts using a mobile device's camera
- Configure alerts via text message

Easily check information now using an iPhone, iPod Touch, iPad or Android-powered device.
